

Miles Tam

A. My major is Finance. After college, I would like to be a fraud analyst/investigator.

B. I am proficient with computers. I use Microsoft Word and Excel daily for my classes. I use Word for writing essays and reports, and Excel for organizing data, creating charts, and performing calculations.

C. I am from Reno, Nevada. I chose the University of Nevada because I wanted to stay close to my family and be near home. Some of my hobbies include hiking, camping, cooking, and watching my favorite teams, the 49ers and Celtics. I genuinely enjoy music from the 1990s and 1980s because I believe that era was the pinnacle of musical excellence and talent. I particularly enjoy Michael Jackson, Prince, The Police, Tears for Fears, Queen, and many more. I aspire to achieve success and happiness in my life and to have a healthy family.
